1. (Secret - GLC) Handcarried to Bill Woodruff, on the staff of the Senate Appropriations Committee, budget and manpower figures for the intelligence community prepared by the NIPE Staff in response to his specific request. I made clear to Woodruff that these figures were being provided him by the Director in his capacity as head of the intelligence community, not as the head of this Agency. Woodruff appreciated these figures and said they would be very close to his comparable figures. He also suggested that the Director have them available when he appears before our Committee in the future for Woodruff expects that questions about the Agency's share of the intelligence budget and manpower may well arise in future meetings.
